

Roger Groome - Coach

I am a native of Trinidad and Tobago and currently reside in Chili, NY. I began playing soccer when I was 4 years old and developed my passion through playing with my older brother growing up. I continued my passion for the sport through my National Youth Teams U20'S and U23's. I was recruited to play at Roberts Wesleyan College where I was part of three National tournament teams and served as a leader and a captain of the team. I also played professional soccer with the Charlotte Eagles for three seasons (2002-2005)

Travel Program - Head Coach

Assistant Coach - Roberts Wesleyan Women's Soccer

Premier Club Program (various) - Head and Assistant Coach

I believe that youth sports provide our young players a safe space to grow and develop on and off the field. Many of my lifelong friendships and life lessons came from growing and developing through youth sports that I participated in.

It is my goal to help develop players skills and give them the opportunity to learn to love the game of soccer and also compete at a high level.

I will work to ensure that players are learning how to communicate with each other, coaches, referees and adults. There will be a focus on discipline, dedication and a commitment in working together to achieve greater success on and off the field.

My goals for the 2021 season are to compete and win in 12 RDYSL league games and attend 4 tournaments.
